Bill,

As you are aware, HOP committed to producing all documents recalled by the parties' agreed-upon search terms by April 12. ECF 117. It is now April 19 and Defendant still has not produced those documents. I have called you several times this week about this issue and you have not returned my calls. Especially given the tight discovery schedule in this case, Plaintiff cannot wait any longer for this production. If Defendant does not produce the documents by the end of the day today, Plaintiff will bring this matter to the court.

Best,  
Dan
